Lebanon Utilities – (Civil) Water Treatment & Distribution System Improvements BOT Program:

Pursuant to I.C. 5-23-5-9 the Lebanon Utilities Service Board has scheduled a Public Hearing on the recommendation to award public-private agreements for the (Civil) Water Treatment & Distribution System Improvements BOT Program on June 4, 2025, at its regularly scheduled 5:00 PM (local time) Lebanon Utilities Service Board Meeting at One Municipal Plaza, 401 South Meridian Street, Lebanon, Indiana 46052. The Development Services includes collaboration during design development and construction document preparation, development, construction, operations, management, and maintenance of water system improvements including the SR 39 Water Main Replacement, Indianapolis Water Main Extension, and Chicago Street WTP Improvements. The recommendation is to award a Development Services Public-Private Agreement to Bowen Engineering for the SR 39 Water Main Replacement and Indianapolis Avenue Water Main Extension and a Development Services Public Private Agreement to Thieneman Construction for the Chicago Street WTP Improvements. An explanation of the basis upon which these recommendations are being made, and the proposals are available for public inspection and copying at One Municipal Plaza, 401 South Meridian Street, Lebanon, Indiana 46052, Phone: (765) 482-5100 (M 8:00am-1:00pm; T, W, TH, F 8:00am-4:00pm).

Lebanon Utilities – (Civil) Wastewater Treatment & Collections System Improvements BOT Program:

Pursuant to I.C. 5-23-5-9 the Lebanon Utilities Service Board has scheduled a Public Hearing on the recommendation to award public-private agreements for the (Civil) Wastewater Treatment & Collections System Improvements BOT Program on June 4, 2025, at its regularly scheduled 5:00 PM (local time) Lebanon Utilities Service Board Meeting at One Municipal Plaza, 401 South Meridian Street, Lebanon, Indiana 46052. The Development Services includes collaboration during design development and construction document preparation, development, construction, operations, management, and maintenance of wastewater system improvements including the 4H Fairgrounds Lift Station Replacement; Hickory Junction Lift Station, Phase 2; and Noble Street Sewer Replacement. The recommendation is to award a Development Services Public-Private Agreement to F.A. Wilhelm Construction and an explanation of the basis upon which these recommendations are being made and the proposals are available for public inspection and copying at One Municipal Plaza, 401 South Meridian Street, Lebanon, Indiana 46052, Phone: (765) 482-5100 (M 8:00am-1:00pm; T, W, TH, F 8:00am-4:00pm).
