

## LEGAL NOTICE

Notice is hereby given that on or about September 30, 2017, the Electric Department of Lebanon Utilities of the City of Lebanon, Indiana (the "Utility") will file a request for approval of an Economic Development ("ED") Rider to its electric service tariff. This ED Rider is applicable to new or existing non-residential customers in the Utility's service territory that establish new operations or expand existing operations such that the new or expanded operations will result in new or additional demand of at least 1MW at one delivery point, where the new or expanded operations involve a capital investment of at least \$1,000,000, and meets the minimum demand and other terms and conditions as indicated in the ED Rider. The ED Rider provides rate incentive credits to the Utility from the Indiana Municipal Power Agency for a qualifying customer's wholesale load as follows:

Months 1-12: 20%  
Months 13-24: 15%  
Months 25-36: 10%  
Months 37-48: 10%  
Months 49-60: 5%

Approval of this filing is expected by December 31, 2017, but no sooner than 30 days after receipt of the filing by the Indiana Utility Regulatory Commission. Objections to the filing should be made in writing addressed to:
