ORDINANCE NO. 2022-21

AN ORDINANCE AMENDING ORDINANCE NOS. 2022-13 AND 2012-11 ESTABLISHING A SCHEDULE OF NON-RECURRING RATES AND CHARGES COLLECTED FOR THE USE OF AND SERVICES PROVIDED BY THE MUNICIPAL ELECTRIC UTILITY OF THE CITY OF LEBANON

WHEREAS, the City of Lebanon, Indiana (“City”) owns and operates through its Utility Service Board (“Board”) an electric utility known as Lebanon Utilities (the “Utility”) for the purpose of providing safe, reliable and efficient electric service in and around the City pursuant to Ind. Code §8-1.5 et. seq., as amended, and other applicable provisions of Indiana Law (collectively, the “Act”);

WHEREAS, Common Council for the City of Lebanon (“City Council”), based upon recommendations from the Board periodically evaluates, changes and readjusts its various fees and charges to collect sufficient revenue in order to pay all the expenses incident to the operation and maintenance of the Utility, including, but not limited to improving the system for existing rate payers; and planning, budgeting, and expanding the facilities in order to serve new customers;

WHEREAS, the electric utility is subject to the jurisdiction of Indiana Utility Regulatory Commission’s (“Commission”);

WHEREAS, the existing rates and charges for electric service provided by the Lebanon Municipal Electric Utility were placed into effect following the approval of the Commission thereof in Cause No. 44142 on September, 12, 2012 and Cause No. 50535 on June 28, 2022;

WHEREAS, the Board, based in part upon the advice of its financial advisor, Baker Tilly Municipal Advisors, LLC (“Baker Tilly”), has adopted Resolution 2022-03 recommending to the City Council various adjustments to the non-recurring fees and charges;

WHEREAS, neither the Board nor the City Council seek to adjust the electric rates, only the non-recurring fees and charges specified in Appendix C;

WHEREAS, the City Council has caused notice of a public hearing set forth hearing on the charges set forth herein to be duly advertised, posted and mailed and has held a public hearing thereon; and

WHEREAS, the City Council finds that the proposed modifications to the City's existing non-recurring fees and charges should be enacted.

NOW, THEREFORE, BE IT ORDAINED, by the Common Council of the City of Lebanon, Indiana, that the non-recurring fees and charges be modified and therefore Ordinance Nos. 2022-12; and 2012-11 are amended as follows subject to the subsequent approval by the Commission:

Section 4.

Electric Utility
City of Lebanon, Indiana

Appendix C

- (a) **Returned Check Charge.** If a check, draft, order or like instrument tendered to the City is dishonored or returned unpaid for any reason, the customer may be charged an amount not to exceed Thirty Dollars (\$30.00). The charge shall not be considered an interest charge, a finance charge, a time-price differential, or any charge of a similar nature.
- (b) **Meter Deposit.** Any individual, partnership, association, business, or corporation renting real property or improvements and desirous of service from the City's electric utility, hereinafter customer, renter, or depositor, shall make application and pay a meter deposit of a minimum of an estimated average of two (2) months electric service to the subject property. The City shall have the right to request proof of the customer's interest in the property served by the electric utility by presentation of a copy of deed, contract, lease, or agreement, and to request that the meter deposit be made and held in the customer's name. Meter deposits are held by the Utility in the customer's name(s) until returned or applied to the customer account consistent with Utility Policy. If a deposit is being held upon discontinuance of service, the City shall apply all or any part of the customer's meter deposit to payment of any outstanding electric charges, including any delinquencies, with the renter's or purchaser's meter deposit being first applied to the payment of electric charges followed by the owner's meter deposit. The remaining balance of meter deposit shall be refunded to the depositor. The depositor shall be responsible for providing the City with a proper forwarding address.
- (c) **Late Fee.** A customer who has not paid all charges on an account on or before the due date stated on the bill, shall be assessed a late payment charge of three percent (3%) on any outstanding balance.

(d) Connection Fee. A customer shall be responsible for paying the actual costs of the meter (each) and related supplies in order to connect to the City electric system.

(e) Non-Payment Fee (Reconnect Fee). A customer's service that is subject disconnect for non-payment, shall be assessed a non-payment fee as follows:

Single Phase Customers \$40.00

Three Phase Customers \$195.00
(Single Customer at Connection)

Three Phase Customers \$290.00
(Multiple Customers at Connection)

(f) Service Trip Fee. The per trip charge for each service call to the customer site as follows:

Residential User \$45.00

All Other Users \$110.00

(g) After Hours Fee. A Service fee in addition to other applicable fees, will be applied for services performed outside the normal business hours and schedule of the Utility. The After Hours Fee shall be as follows, with a one hour minimum:

All Users \$85.00 per hour

(h) Meter Base Charge. Any customer requesting new service shall supply the necessary meter base subject to the Construction Standard Specifications of the City of Lebanon and as determined, from time to time by the Utility in its sole and exclusive discretion. Any existing customer service that requires replacement of the meter base shall supply the necessary meter base subject to the Construction Standard Specifications of the City of Lebanon and as determined, from time to time by the Utility in its sole and exclusive discretion.

(i) AMR (Smart) Meter Opt Out. The Electric Utility measures its service through the use of AMR meters. Subject to the General Terms and Conditions of Service and subject to the availability of commercially reasonable alternative measuring meters, a customer may request a non-AMR meter, subject to a one-time fee (per service) of \$75.00 and \$15.00 per month.

(j) System Tampering Charge. Any damage resulting from unauthorized use or tampering with the electric utility system (including meters) will result in a charge for the cost of repair (actual labor, materials, vehicle(s) and equipment) and the estimated usage at the applicable rate, subject to the below minimum charge.

Residential Customers \$100.00

All Other Customers \$500.00

Section 5. The rates, charges and fees set forth in this Ordinance shall be reviewed every calendar year for continued applicability and financial necessity. There is a zero percent difference in the rates and charges between property located outside the corporate boundaries of the City as compared to property located within the corporate boundaries of the City.

Section 6. Any portion of the other Ordinances in conflict with a provision in this Ordinance is hereby superseded to the extent inconsistent herewith. The provisions, rates, and charges of this Ordinance are severable. In the event any one or more of the provisions contained in this Ordinance should be invalid or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein and/or the prior Ordinances of the City, shall not in any way be affected or impaired and shall remain in full force and effect. Furthermore, to the extent a rate, charge or provisions in this Ordinance is declared invalid, the higher of the valid charge or the original charge or fee previously established by the City shall be effective and/or retroactive as though unaltered. The invalidity of any section, clause, sentence or provision of this Ordinance shall not affect the validity of any other part of this Ordinance, which can be given effect without such invalid part or parts.

Section 7. The provisions of this Ordinance shall take effect upon the approval of the Indiana Regulatory Commission and effect upon its adoption, effective date, any publication required by law.

All of which is CONSIDERED, APPROVED AND ADOPTED by the Common Council of the City of Lebanon, Indiana, this 12 day of Sept., 2022.
